Welcome to **SingularityForge** . Your privacy is important to us, and this Privacy Policy outlines how we handle data on our platform.

By using SingularityForge, you agree to the terms outlined in this Privacy Policy. If you do not agree with any part of this policy, please refrain from using our site.

1. No Personal Data Collection

SingularityForge does not collect, store, or process any personal information about its users. We do not require registration, login, or any other form of user identification.

- **No Emails** : We do not collect email addresses unless you voluntarily contact us via press@singularityforge.space . In such cases, your email will only be used for communication purposes and will not be shared with third parties.
 - **No Cookies** : SingularityForge itself does not implement cookies or tracking technologies. However, as this platform is hosted on WordPress infrastructure, some default WordPress functionalities or third-party integrations may involve cookies. For more details, please refer to [WordPress Privacy Policy](#) .

2. Anonymous Usage Statistics

We may have access to anonymized usage statistics provided by WordPress or hosting services. These statistics include general information such as:

- Total page views.
- General geographic data (e.g., country of origin).
- Device types and browsers used.

This data is collected automatically by WordPress or hosting providers and is not linked to any individual user. SingularityForge does not have direct control over this data collection but ensures that no personal information is stored or processed.

3. Third-Party Services

Our platform relies on third-party services (e.g., WordPress, hosting providers) to function. These services may collect anonymized data for technical purposes, such as server logs or security monitoring. However:

- **No Personal Data Sharing** : We do not share any personal information with third parties because we do not collect it in the first place.
 - **Third-Party Policies** : For more information on how these services handle data, please refer to their respective privacy policies:
 - [WordPress Privacy Policy](#)
-

4. Data Security

While we do not collect or store personal data, we take reasonable measures to ensure the security of our platform. This includes:

- Regular updates to WordPress and plugins to prevent vulnerabilities.
- Use of secure hosting services to protect against unauthorized access.

However, no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

5. Your Rights

Since we do not collect or store personal data, there is no personal information to access, correct, or delete. However, if you have any concerns or questions about privacy, please feel free to contact us at press@singularityforge.space.

6. External Links

Our platform may contain links to external websites or platforms. We are not responsible for the privacy practices or content of these third-party sites. Please review their privacy policies before providing any personal information.

7. Changes to This Policy

We reserve the right to update or modify this Privacy Policy at any time. Any changes will be reflected on this page with an updated “Last Updated” date. Continued use of SingularityForge after changes are published constitutes acceptance of the updated terms.

We encourage you to review this policy periodically to stay informed about how we protect your privacy.
